

## **PMA Affiliate arrangement**

As a PMA affiliate, there are substantial advantages for both you and your clients. Your clients will receive significant discounts on the following products, which they can exclusively access through their PMA Practitioner, Coach, or Senior Coach:

1. PMA-Basics
2. PMA-Pro
3. PMA-Ultimate

Moreover, as an affiliate, you will receive a bonus commission for each of these products that you successfully sell. This means you have the opportunity to earn extra income while providing valuable benefits to your clients through the PMA products.

### **The special discount for your client**

When your clients choose to take a PMA training or course through you as an affiliate, they will be eligible for a special discount.

#### **Discount on the PMA-Basics**

If a client enrolls for the PMA Basics using your personal affiliate link, they will receive a \$200 discount. Instead of paying \$1,200, they will only pay \$1,000 for the PMA Basics.

#### **Discount on the PMA-Pro**

If a client enrolls for the PMA-Pro using your personal affiliate link, they will receive a €500 discount. Instead of paying \$4,600, they will only need to pay \$4,100 for the PMA-Pro.

#### **Discount on the PMA-Ultimate**

If a client enrolls for the PMA-Ultimate using your personal affiliate link, they will receive a €600 discount. This means they will pay €4,600 instead of the original price of €5,200 for the PMA-Ultimate.

## **Bonus for you**

As a PMA Practitioner, PMA Coach, or PMA Senior Coach, you will receive a bonus for each of the following products that your client purchases from us:

- PMA-Basics: \$100
- PMA-Pro: \$400
- PMA-Ultimate: \$500

## **Please Note!**

Always make sure that your client, family, friends, acquaintances, etc., use your personal affiliate link. If you refer someone interested in any of the above products to the advisors at the PMA Institute, they will need to use their own registration link, and as a result, your client will not receive any discount, and you won't receive a bonus for that referral.

## **Summing up briefly**

If the interested individual makes a payment through your personal affiliate link, the associated bonus will be credited to you. However, if the payment is made through a different link, the affiliate discount and bonus will go to the owner of that particular link.

## **Additional opportunity**

The discounts and bonuses are exclusively available to individuals who utilize an affiliate link provided by a PMA Practitioner, PMA Coach, or PMA Senior Coach.

In all other instances, there will be no discounts offered for the PMA-Basics, PMA-Pro, and PMA-Ultimate.

The established prices are as follows:

The PMA-Basics	\$1,200
The PMA-Pro	\$4,600
The PMA-Ultimate	\$5,200

Besides all the personal advantages for a client, it also brings benefits to you as a coach. As your client gains a deeper understanding of how the brain works, they can make faster and more significant progress during a

session. As a PMA organization, we are enabled to create an even greater impact. It's a win-win-win situation!
