

Event ⇒ Moment ⇒ Detail ⇒ Feeling ⇒ Next event

If you're stuck, then you determine:

1. Are you with your client in the picture?
2. Where is your client? In the Event or Moment or Detail?
3. Is your client in the picture? Is he/she reliving or describing it as a reporter?

If you're still stuck, then ask:

- What was the last picture you saw? Go back there.
- What is dominant there? What do you see, smell, hear, feel, taste? Focus on that.

Stay in the picture! The answer is always in the picture!

Always go in the direction in which you feel the most resistance!
